CALL FOR PROFILE – ABIO Awards

About Awards: Astro Biologists take the privilege of awarding the Industries, Academicians, Researchers, Scientist, and Regulators from Science, Health and Medical fields across the globe to its International Events. The International Astro Biologists Awards is an annual gathering. This Event is a unique international platform that's a meeting of all Researchers. We look forward to personally welcoming all the award winners.

Objectives: The ABIO International Events is awarding high quality Researchers in different subfields. The purpose of award ceremonies and assemblies is to celebrate researcher achievements and motivate them to continue on their path. The Good researchers are more motivated to succeed in their research field. People want to be respected and valued by others for their contribution. Offer the opportunity to be updated on the latest research outputs on several topics. Organize specific workshops around the most attractive and current issues. Gather worldwide experts as Event speakers

Key Features and: Excellent Venue | Inspiring Speakers | Certificate | Medal | Memento | Stage Photograph | Awardees list don website.

Award Categories: Young Scientist Award | Best Researcher Award | Outstanding Scientist Award | Lifetime Achievement Award | Best Paper Award | Women Researcher Award | Best Faculty Award | Excellence in Innovation Award | Best Innovation Award | Best Scholar Award | Space Survival Breakthrough Award | Radiation Shielding Innovation Award | AI in Astro Bio Award | Quantum Life Research Award | Excellence in Astro Bio Communication Award | Citizen Astro Bio Award | Alien Life Ethics & Policy Award | Terraforming Technology Award

Topics of interest include, but are not limited to: Prebiotic Origins | RNA First | Deep-Sea Origins | Water & Life | Habitable Worlds | Extreme Life | Icy Ocean Worlds | Mars & Life | Titan's Organics | Heat-Loving Life | Salt & Acid Life | Microbes in Space | Life & Radiation | Space Biosignatures | SETI Quest | Sample Return | Mars Life Tech | Astro Bio Tools | Space Proteins | DNA in Space | Synthetic Life | Space Evolution | Space Survival | Space Medicine | Radiation Shielding | Space Psychology | Bioinspired Robots
